

Histopathology Workshop - Liver Pathology

A slide-based practical course to complement the annual RCPATH course

'Liver Biopsy in the Assessment of Medical Liver Disease'

**Pathology (GC) Room, Faculty of Life Sciences & Medicine
Guy's Campus, Kings College London:**

Friday 13th April 2018

Further information and application forms for any of our courses are available from our Administration Team:

Administration: Kathryn Hawke – 0113 246 6332 kathryn.hawke@nhs.net

Liver Pathology

This workshop is run in association with the UK Liver Pathology Group and is devised for consultants working outside specialist liver centres, and trainees in stage C or D who have an interest in liver pathology. It is designed to complement the annual course; '**Liver biopsy in the assessment of medical liver disease**' held at the RCPATH. It will include practical aspects of the interpretation of medical liver biopsies and will also cover a range of focal liver lesions. This will be the fourth time we have run this popular slide based workshop meeting. It was originally developed by the BDIAP in March 2014.

The slides will be pre-scanned and participants will have the opportunity to look at the digital images on line prior to the meeting. Sets of glass slides will be available for viewing on the day.

Learning Outcomes

At the end of the session individuals should:

- **have pre-viewed a range of liver cases, as glass slides, or as virtual slides pre-meeting**
- **be confident in recognising common patterns of medical liver disease in liver biopsies**
- **understand the role of different special stains in medical liver biopsies**
- **have gained an understanding of the pathological assessment of focal liver lesions**

The course trainers are;

Professor Stefan Hubscher, Birmingham

Dr Sue Davies, Cambridge

Dr Judy Wyatt, Leeds

Venue :

Pathology (GC) Room, Faculty of Life Sciences & Medicine

Guy's Campus, King's College London

Travel information and a map of the campus can be seen on the Kings College website at the following location;

<https://www.kcl.ac.uk/study/campus/guys.aspx>

COURSE PROGRAMME

09:00 – 09:30	Coffee, Registration & Welcome	
09:30 – 11:00	Slide viewing	
11.00-11.30	Tea/Coffee break	
11:30 – 13:00	Slide Discussion	Prof. S Hubscher
13:00 – 14:00	Lunch	
14:00 – 15:30	Slide Discussion	Dr S Davies
15:30 – 16:00	Tea/Coffee break	
16:00 – 17:30	Slide Discussion	Dr J Wyatt
17:30	Closing remarks & Evaluation	

Cost: **Consultants £95**
 Trainees £50

Lunch, tea & coffee are all included
