### Day 1 and 2

This is a two day theoretical course covering the curriculum outlined by the British Society of Colposcopy and Cervical Pathology. This course will be suitable for all members of the Medical and Nursing Profession who play an active role in the management of Colposcopy Services and Cervical Screening. The Faculty lecturing on this course have a wide experience in providing Colposcopy and allied services. The speakers invited have both a national and international reputation in these areas.

### Day 3\* - optional

This is a practical one day course intended to complement the theoretical aspect of day 1 and 2 covering the areas within the BSCCP curriculum for cytology and gynecological pathology.

This day allows for sign off of both histopathology and cytopathology elements of the Training log for medical trainees.

Training will be provided in the form of group discussions and practical exposure via multi-headed microscopy facilities.

**\*You may only apply for this day if you also attend the preceding two day basic level theoretical colposcopy course.**

**Cost:** Day One & Two £300

Day One, Two & Three £450

Cost includes lunch and refreshments

### Course Venue

**Wakefield NEPSEC:** Unit 3 Wakefield Office Village, Fryers Way, Silkwood Park, Wakefield, WF5 9TJ

The centre is situated in a commercial site in Silkwood Park close to Junction 40 of the M1. We are 20 miles from Leeds Bradford airport, 13 miles from Leeds City railway station and just 2 miles from both Wakefield railway stations.

Should it be required excellent accommodation is available adjacent to the Training Centre at the Ramada Hotel:

<http://www.ramada.co.uk/hotels/united-kingdom/yorkshire/ramada-wakefield/hotel-overview>

Rates are available from just £53 and might be cheaper on the various commercial sites.

## Speakers

- Dr Jullien Brady** Lead for Gynaecological Oncology & Colposcopy, Bedford Hospital  
Regional Lead Colposcopist and Quality Assurance Director (East of England)
- Miss Jennifer Byrom** Consultant Colposcopist, Birmingham Women's Hospital  
Chair of the BSCCP Accreditation and training committee.
- Dr K McDonald** Consultant Histopathologist, Sheffield Teaching Hospitals NHS FT
- Dr A Saleem** Consultant Gynaecologist, Lead for colposcopy and Cervical Screening Provider Lead,  
Salford Royal NHS Foundation Trust
- Mr Peter Heptinstall** Consultant BMS, Manchester Royal Infirmary & Royal Hallamshire Hospital,  
Sheffield  
NEPSEC Training Centre Manager

## Course Educational Methods

**Lectures:** Each day, the learners attend general sessions designed around the course curriculum. Ample time for questions are scheduled throughout the sessions to allow for increased participation and clarification of issues.

**Interactive Case Study Sessions:** Interactive sessions will be used during the course to test medical knowledge and practice-based learning skills. Participants, in conjunction with faculty leadership, will review cases, vote on their diagnosis and discuss what management and treatment course they would pursue and why.

## Continuing Medical Education

**BSCCP –** This course is suitable for trainee accreditation.

*The third day is also suitable for both trainee medical and nurse colposcopists seeking to meet the mandatory requirements of training in cytology and histopathology for BSCCP certification.*

## Course Programme

### Day 1 (1<sup>st</sup> October)

Chair person Dr. A Saleem

**08:45-09:00 Coffee & Registration**

09:00 – 09:45 UK Cervical Screening Programme and the Principles of Screening **Mr P Heptinstall**

09:45- 10:30 Cytological assessment and reporting of squamous dyskaryosis **Mr P Heptinstall**

*10:30 – 10:45 Coffee*

10:45 – 11.30 Histological assessment and reporting of CIN **Dr K McDonald**

11.30 -12:00 Current concepts in the development of cervical neoplasia **Dr K McDonald**

*12:00- 12:45 Lunch*

12:45 – 13:45 Training , Quality Standards and Audit in colposcopy **Dr A Saleem**

13:45 – 14:15 The role of HPV in cervical screening, including management Algorithms **Mr P Heptinstall**

14:15 -15:00 Colposcopy of the normal cervix - Normal variation and pitfalls **Dr A Saleem**

*15:00 -15:15 Coffee*

15:15-16:00 Diagnosis of CIN and Invasion **Dr A Saleem**

16:00-16:30 Clinical case scenarios **Dr A Saleem /  
Mr P Heptinstall**

**17.00 Day Finishes**

**Day 2 (2<sup>nd</sup> October)**

Chair person Mr J Brady

**08:45 Coffee & Registration**

09:00 - 09:30 Cytological and Histological diagnosis of glandular intraepithelial neoplasia **Dr K McDonald**

09:30 -10:15 Colposcopic Diagnosis and treatment of glandular intra epithelial neoplasia **Mr J Brady**

*10:15 - 10:30 Coffee*

10:30 - 11:15 The Treatment of CIN - the selection of methods and outcomes **Miss J Byrom**

11.15 – 12.00 Pathology of early stage invasive squamous and glandular cervical neoplasia **Dr K McDonald**

*12:00 - 13:00 Lunch*

13:00 - 13:45 Management of early stage cervical cancer **Mr J Brady**

13.45 – 14.30 VIN & VAIN **Miss J Byrom**

*14:30 - 14:45 Coffee*

14:45 – 15.45 Clinical case scenarios **Mr J Brady & Miss J Byrom**

15:45 - 16:00 Course feedback - **Day Finishes**

**Day 3 (3<sup>rd</sup> October)**

Chair person Mr P Heptinstall

**08:45 Coffee & Registration**

09:00-9:45 Normal constituents of cervical samples

**Mr P Heptinstall**

9:45 – 10:00 Coffee

10:00-11:00 Cytology of squamous and glandular lesions

**Mr P Heptinstall**

11:00-12:45 Histology – Squamous & glandular lesions

**Dr K McDonald**

*12:00-12:45 Lunch*

12:45-14.00 Cytology; borderline changes, - Pitfalls and problems

**Mr P Heptinstall**

14:00-15:00 Invasive cervical cancer audit cases

**Mr P Heptinstall**

**15:00 Finish**
