Negative v High Grade ?

The day starts with a lecture discussing the features of high grade dyskaryosis and it's mimics pointing out features useful in distinguishing between them. This is followed by a workshop of original dotted slides all of which were passed up as high grade, some of which represent genuine high grade and some of which are the mimics. Most of the cases have the answers on the reverse and are meant for self-study, but 12 cases are blind and will be discussed around the multi-header microscope after lunch. The multi-header session is followed by a "true or bluff" presentation on cases from the cervical cancer audit with some fake case histories and mimics to consolidate the earlier learning. The talks are rounded off on a talk about medico-legal aspects.

We finish with the learning assessment, 10 fairly straightforward questions to check you have been listening with the answers and group discussion.

Course Tutor(s):

Dr Miles Holbrook: Consultant Pathologist, Manchester Cytology Centre

Dr John Smith: Consultant Pathologist, Sheffield Teaching Hospitals

Learning Outcomes:

At the end of the session individuals should;

- Be able to separate high grade dyskaryosis from it's negative mimics.
- Be able to increase their sensitivity and specificity in screening.
- Have a basic knowledge of medico-legal aspects of cervical cytology

Cost:

NHS BMS Participants attending from the North West, North East, Yorkshire and East Midlands regions will incur a £15 administration fee only

Others: £95.00

Lunch, tea & coffee are included

Further details and an application form are available from our administration team:

COURSE PROGRAMME

9:15	<i>Coffee & Registration</i>	
9:30	Introduction and discussion of expected learning outcomes.	
9:45	Lecture - Negative vs high grade talk	Dr Holbrook
10:30	Workshop	
11:15	<i>Coffee</i>	
11:30	Workshop continued including test cases	
12:45	<i>Lunch</i>	
13:30	Multiheader session of test cases	
14:15	“Missed cancer, true or bluff” turning-point session	
15:00	<i>Coffee</i>	
15:15	Medico-legal aspects	Dr Smith
16:00	Review of learning assessment	
16:30	<i>Finish</i>	

Venue(s):

This course is operated from both our venues. Please ensure you check which suits you before booking.

Manchester: NEPSEC: Manchester Royal Infirmary, Oxford Road, Manchester M13 9WL

More information on our facilities and how to find us can be downloaded from our website;
<http://www.cmft.nhs.uk/info-for-health-professionals/laboratory-medicine/north-west-cytology-training-centre/travel-and-accomodation>

Wakefield: NEPSEC: Unit 3 Wakefield Office Village, Fryers Way, Silkwood Park, Wakefield, WF 59TJ

The centre is situated in a commercial site in Silkwood Park close to Junction 40 of the M1. We are 20 miles from Leeds Bradford airport, 13 miles from Leeds City railway station and just 2 miles from both Wakefield railway stations. Should it be required excellent accommodation is available adjacent to the Training Centre at the Ramada Hotel: <http://www.ramada.co.uk/hotels/united-kingdom/yorkshire/ramada-wakefield/hotel-overview>

Rates are available from just £53 and might be cheaper on the various commercial sites.
